

StarBoard FX-79E1/89WE1

# INTERACTIVE WHITEBOARD

## Affordable interactive technology for your classroom environment.

StarBoard FX-79E1/89WE1 series interactive whiteboards bring finger-driven interactivity to your classroom or conference room. These models combine simplicity of design and solid surface with the latest interactive technology. Their finger-driven features and multi-touch gesture capabilities make StarBoard FX-79E1/89WE1 intuitive for anyone to use. The large surface of these boards provides an additional working space and contributes to comfortable group work.

### Finger-Driven Technology

Use your finger, stylus pen or any object to easily navigate through activities, websites, and multimedia content.

### Multi-Touch Features

Control the whiteboard naturally with the multitouch gestures - use your finger to annotate, fist to scroll and two fingers to erase or zoom in and out.

### “Dual-Pen” Feature

Thanks to the “Dual-Pen” feature, two users can write and work on the whole surface of the board simultaneously.

### Quick Access to Frequently Used Tools

The function buttons situated on each side of the board allow quick access to the most frequently used tools.

## StarBoard FX-79E1

## StarBoard FX-89WE1

15 function buttons on either side

### Accessories
