Phone Choices

Cisco SPA-122 (ATA)

2-line ATA adapter to connect old analog phone lines with IP service. This is a perfect option for homes.

Cisco SPA 508G

Professional Cisco phones for small and medium businesses – 4 to 32 lines. Cisco SPA 508G has 8 lines. Cisco 525G comes with Wi-Fi if you need to cut the cord.

Polycom IP phone 335

High quality business phones ranging from 2 lines to 16 lines, IP 335 being the one of the most popular model for SoHo whereas IP550 is preferred by SMBs. Conference phones are also available for group meeting.
